**SHARED REVENUE**

This bill reduces the total amount of county and municipal aid payments beginning in 2012. The total amount of the reduction for all counties is \$36,500,000 and the total amount of the reduction for all municipalities is \$59,500,000. The reductions are allocated, generally, based on population and limited for each county and municipality to the lesser of a percentage of the entity's property value or 50 percent of the entity's county and municipal aid payment in 2011.

\*\*\* ANALYSIS FROM -0642/P3 \*\*\*

Under current law, a municipality may receive an expenditure restraint payment if its municipal budget has not increased from the previous year by more than the sum of an inflation factor and a valuation factor. The valuation factor is, generally, 60 percent of the municipality's property value. The inflation factor is the average annual percentage change in the U.S. Consumer Price Index. Under current law, the inflation factor cannot be less than 3 percent. Under this bill, the inflation factor cannot be less than zero.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
